

THUNDER BY THE BAY GENERATES SIGNIFICANT CHARITABLE AND ECONOMIC IMPACT

Thunder By The Bay is produced by Suncoast Charities for Children, a local non-profit agency serving children, teens, and adults with special needs and their families. Over the past 19 years, the Festival has raised \$1.7 Million for charity.

Thanks to the net proceeds raised from Thunder By The Bay, Suncoast Charities for Children provides an annual grant to the Suncoast Foundation impacting these five local non-profit agencies serving over 8,000 special needs clients each year.

Net proceeds raised during this annual Festival allows Suncoast Charities for Children to provide support to five area non-profit agencies. These agencies in turn provide programs and services to over 8,000 clients with special needs and their families.
